PRI has been working in the field of criminal justice and penal reform at the national, regional and international level for 25 years. We are delighted to invite delegates to join us to celebrate our anniversary at a short, informal reception.

The short programme of approximately 15 minutes will include:

- a welcome by PRI's Executive Director Alison Hannah;
- the first public screening of PRI's new short animated film on the impact of imprisonment and non-custodial alternatives;
- brief interventions reflecting on experiences in reducing imprisonment rates, including by a representative of the UN Office on Drugs and Crime.

We hope delegates can join us for a discussion over refreshments.

PRI staff will be available to talk to including, Executive Director Alison Hannah, Policy Director, Andrea Huber, the Director of PRI's Middle East & North Africa Office, Taghreed Jaber, and programme staff.
