1. Introduction

Managing fair and effective justice system, guaranteeing a fair trial, and facilitating people's access to justice require mobilizing societal energies, increasing their effectiveness in serving society, and focusing on their role as bodies supporting the judiciary and the work of law enforcement agencies based on human rights and humanitarian approach and on international standards. and national legislation. The global objective of this call for proposals granted by Penal Reform International and funded by the European Union is “Strengthening the Rule of Law and People’s Access to Justice in Sudan”. It aims to support efforts to access justice by enhancing community legal awareness and knowledge and providing direct legal assistance services in all its forms to groups in need of legal support, whether they are defendants, victims, victims of domestic violence, and women. Victims of gender-based violence, as well as juveniles or children’s victims, so as to enhance the possibilities of protecting and rehabilitating them.

2. Project Objectives

This call for proposal as part of the project “*Enhancing rule of law and people’s access to justice in Sudan*” funded by the European Union Delegation in Sudan and implemented by Penal Reform International invites non-profit civil society organizations legally registered in the Republic of Sudan that have experience in the field of legal and judicial support, and have a desire to support human rights protection activities and provide specialized support services to those in need in the justice system, to submit project proposals to implement support activities for persons in conflict with the law and their families.

2.1. Overall Objective of the Call of Proposal

Promoting access to justice for persons in contact with the law.

2.2. Specific objectives of the project

Enhancing protection and safety through:

- Enabling people, especially in remote areas, to access legal assistance and providing legal assistance to people who need it.
- Strengthening the protection of women, girls and children within the justice system through legal empowerment and access to justice.

2.3. Areas that should be included in the activities

People who are in conflict with the law need to understand their legal and judicial situation in order to improve their ability to defend themselves, especially children and women. Therefore, it is suggested that organizations applying for funding cover the following:

- Providing awareness and legal education to the public, people in contact with the law and their families.
- Providing legal support services and judicial representation for persons.
- Seeking legal mediation between disputants to help resolve outstanding issues.
- Coordination with security and judicial bodies to facilitate people's access to legal support.
- Accompanying people, especially children and women, during the initial investigation stages by law enforcement agencies (police stations).
- Establishing legal support clinics in prisons.

3. Location of activities

Activities in Sudan must be carried out within the following states: Kassala, Khartoum, North Kordofan, Darfur, River Nile, and the northern states of Port Sudan, Blue Nile, and Kosti.

4. Financial Allocation Provided by the Contracting Authority

Any requested contribution (grant) under this call for proposals must fall between the following minimum and maximum amounts:

- Minimum amount: 20,000 euros
- Maximum amount: 60,000 euros

The number of grants that will be provided will not exceed (6).

5. Duration of projects

The time period for implementing the proposed activities must not exceed 12 months.

6. Conditions for applying for financing

The organization must:

- Be officially registered in Sudan as a non-profit civil society organization and allowed to practice its activities.
- Have experience in implementing similar activities for at least two years.
- Have clear, demonstrable experience in the required field.
- Be able to provide monthly reports on work progress.
- Be able to provide transparent financial reports every three months.
- Commit to documenting all cases for which the service is provided, with photographs.
- Adhere to standards of confidentiality and privacy in dealing with cases.

7. How to apply

The funding request must be submitted through the attached form directly to the organization's email priamman@penalreform.org , using the title of the grant as the subject of the email.

8. Application submission date

Application deadline: June 13, 2024, at 12:00 p.m. Amman, Jordan Time.

9. Evaluation and selection of applications

Applications will be evaluated by a committee.

All applications will be assessed according to the following steps and criteria.:

- Does the applicant have sufficient in-house experience of project management?
- Does the applicant have sufficient technical in-house expertise (especially knowledge of the issues to be addressed)?
- Does the applicant have sufficient management in-house capacity (including staff, equipment and ability to handle the budget for the action)?
- how relevance is the proposal to the NGO's mandate?
- How relevant is the proposal to the objectives and priorities of the call for proposals and to the specific themes/sectors/areas.

بتمويل من
